

SAFER MEDICINE USE

Take medications with care. Follow directions and ask your doctor or pharmacist about possible side effects or drug interactions.

Keep medicine up & away. Place medicine out of reach of children and out of sight. Use a lock box or medicine safe for extra security.

Never share medicine prescribed for you. It can be dangerous - and is illegal.

Dispose of unused or expired medications.

TO DISPOSE OF MEDS AT HOME

MEDICINE EMERGENCY?

1. If a person is unresponsive and won't wake up, call **911**. Never let them "sleep it off."
2. If someone's taken the too much medicine or the wrong one, call the **Poison Help line any time, 24/7** at **1-800-222-1222**. Calls are confidential!
3. If you or someone you know needs help with addiction, call the SAMHSA Helpline 1-800-662-HELP.
