

Intersectionality of Substance Use Disorders, Natural Disasters, and Children's Mental Health Webinar Handout

Helpful Resources from TAP 34 Chapter 4

The Substance Abuse and Mental Health Services Administration (SAMHSA) offers a free resource that anyone can access from their website called the Technical Assistance Publication (TAP).

Series 34 covers Disaster Planning for Behavioral Health Service Programs.

SAMHSA Exception Request

Visit: bit.ly/4b3t5n6

In some emergency situations (e.g., an impending snowstorm or hurricane that will likely make travel difficult for a few days), providing patients with extra take-home doses may make the most sense. Your program may submit exception requests to SAMHSA online, by fax, or by mail.
